### Federal-State Inspection Service

The following table shows companies that have applied for a Good Agricultural Practices (GAP) and/or HACCP certification. The table provides information on the company's status and the date of the last inspection. Data is not included for the companies that are in the process of applying for certification with the Food and Drug Administration's Guide to Minimize Microbial Food Safety Hazards for Fresh Fruits and Vegetables. The words "NA" in the table mean that the company was not audited by a Federal or State agricultural officer.
