

The Gators Citrus Club

Fernando Alferez on behalf of the **Gators Citrus Club**

2020 Florida Citrus Show
Fort Pierce

UF | IFAS
UNIVERSITY *of* FLORIDA

Some background

- Established at the University of Florida in 1956
- Multidisciplinary club composed of UF students and faculty advisors
- Currently, 12 students and 2 advisors

Objectives of the Club

- Bring together all students interested in fruit crops
- Promote and maintain a firm faculty-student relationship
- Broaden student educational experience by maintaining contact with the fruit industry

The club is a very powerful educational tool

Activities

- Volunteering
- Fundraising
- Field educational visits
- International trips
