

Volume Fill Packaging

“Back to the future”

**Volume fill has been tried before in
the late 60’s and Early 70’s.**

**The concept was right, but the timing
was wrong.**

**Things have changed in the
past 30 years!**

The Squeeze Is On !

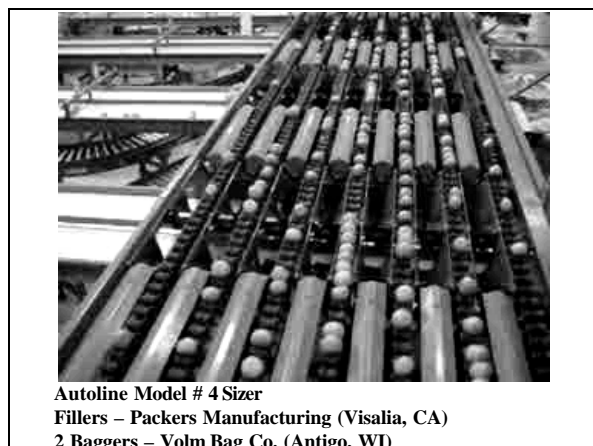

Volume Fill vs Place Pack

No big deal for your customers... It's a “Big Deal” for you !

Your wholesale customer wants primarily a full carton.
